Lawrence County Court

Charles W. Drake was appointed constable and W. C. Seymour justice of the peace for Red Oak township.

The annual statement of fees received by W. B. Garrison, Recorder, for the year 1908 was approved Quarterly settlement of U. S. Kendall, Circuit Clerk, and Ed M. Goodman, Sheriff, approved.

Ordered that the clerk hereof make out a statement of the costs of Samuel Platts to county of Asylum No. 3, and file same for allowance.

Final settlement of I. W. Counts, County Treasurer, approved.

Petition for local option election presented and same found signed by one-tenth and more of the qualified voters of the county outside of the corporate limits of Aurora, which is found by the Court to be the only city in the county having at this time a population of 2,500 inhabitants or more. The Court finds upon testimony that the two pretended censuses of Peirce City, being in 1904 and in 1907, are each false, fraudulent and void. It is therefore ordered that an election be held on Saturday, February 13, 1909, at the usual voting precincts to determine whether non-spirituous and intoxicating liquors, including wine and beer, should be sold in the county outside of the corporate limits of the city of Aurora, all to be pursuant to the provisions of Article 3, Chapter 22, of the Revised Statutes of 1899. The Court orders that all ballots for such election shall have written or printed thereon "Against the sale of intoxicating liquors" and "For the sale of intoxicating liquors," with the further instruction printed on such ballots "Erase the clause you do not want." Judges T. C. Wooten and John J. Holt concurring and Judge James Doyle dissenting for the reason that it appears from the record on file in this court, over which this court has no control, that the City of Peirce City referred to in the petition, has a population of 2,500 inhabitants and over, and it being included in the petition, said city cannot vote upon the question submitted.

The court adjourned to January 23, at which time the Judges of Election will be appointed.

The double game of basket ball played at Kaupp's opera house Friday night of last week by the girl and boy teams of Peirce City and Marionville high schools, was very interesting. The girls played fast ball and there was hearty applause for both teams. Misses Wilma Gollom and Florence Brasher of the home team were the leaders in making scores. The score was ten to five in favor of Peirce City.

The game between the boys of our city and Marionville was close, both teams doing their best. The result of the game decided the holder of the medal for the championship of the Interscholarship Athletic Association. This nerved the boys to put forth every effort. The score was 29 to 22 in favor of the Peirce City High School team. There was a large crowd present and all enjoyed the game. The Marionville boys played well and this fact made it all the more honorable to win the game. Our boys have some good players and all showed their energy and determination in the contest. James Wright and Otto Alberts were the pitchers and made the scores, while the other boys were active in getting the ball to them. Eandon Vance was the smallest and yet the quickest in his movements of any of the boys.—Peirce City Leader.

The heart of Muskogee's business district burned Wednesday. The loss was about \$250,000. The water pressure was inadequate and the fire could not be controlled.
